

Part torn off.

Dear Lucia,

I have but a moment
to write, for it is after 12 o'clock & I must rise
early to carry my bundle. We have had most
excellent meetings in spite of Stephen Foster
the meetings were thronged "day & evening."
I never saw such crowded meetings in N. B.
The town hall was very much crowded
& a great many went away who could
not get in. Garrison gave great satisfac-
-tion as did Abby. I hope to see
you to come.
